Trafford Centre launches car valeting service

~ drivers using shopping centre's 10,000 berth car park benefit from national valeting specialist Motorclean's services ~

Trafford Centre visitors can now leave their cars in the care of professionals while they shop, with the launch of its first professional valeting service.

The Trafford Centre branch of Motorclean becomes the third of the company's retail bases following the successfully established businesses at Bluewater in Kent, and Meadowhall in Sheffield.

With 27 bays in operation, Motorclean is located directly below the Barton Square link bridge and offers visitors the fast service and knowledge of its valeting experts. Menu options include vacuum, wash, wax, buff and dry care, all the way to sophisticated treatments to protect upholstery and paintwork.

All drivers have to do is drop by on the day or call 0161 748 8805 to book a slot. Visit www.traffordcentre.co.uk customer services section for more information and a price list.

David Warren, CEO at Motorclean, said: "Trafford's priority is to make visitors feel welcome and give them a memorable experience. This includes offering an extensive range of services and the opening of a Motorclean branch represents exactly this aim. With 10,000 parking spaces in total we expect the Trafford Centre to be as busy as the other major retail outlets we serve. No matter how many cars we clean however, visitors can be reassured that we use the most environmentally friendly products available."

More information on Motorclean can be found at www.motorclean.net

Notes to editors**Motorclean**

Founded in 1975, Motorclean is a management-owned car valeting business. It's the single largest provider of valeting services to UK car dealerships, with clients such as the Marshall Motor Group and Inchcape. Motorclean also provides valeting services for private drivers at select locations such as Bluewater, Europe's largest retailer.
